SOME THINGS TO KEEP IN MIND AT MSMF:

1. To ensure continued quality and fun that festival goers have come to expect, the Merchant Street MusicFest will charge \$10 CASH ADMISSION for each day. Children 5 and under are FREE BOTH DAYS. Children 10 and under are FREE on SATURDAY, JULY 31 BETWEEN 2PM AND 5PM.
2. NO COOLERS are allowed at MusicFest.
3. We have realized that smiling, relaxing, and dancing are contagious.
4. Each of the stages has a feel all its own. While the Merchant Street Stage is the largest, we are proud to have big talent on the Hill and Platform Stages as well.
5. NO ADDITIONAL CHAIRS are allowed at the PLATFORM STAGE. The capacity at the Platform Stage is 175 people and we'd like to fill that space with more people and fewer chairs.
6. By using the numerous recycling receptacles found at the fest or by riding your bicycle to the fest you're making the world a better place in which to live and breathe.
7. Let the energy of Merchant Street MusicFest last by being a part of the positive things that are KANKAKEE. You help make this city great!
